June - **STEUBENVILLE YOUTH CONFERENCE ?**

**\*Note\*** There are now at least 20 sessions required for OLHC elementary and Junior High Faith formation due to the Bishop's faith formation directive for a more effective religious education program across the diocese. These extra sessions have been added to our normal calendar at both the elementary and junior high level. High School faith times will remain the same; as of yet there is no directive for a set number of sessions for that section. We will average about two sessions a month for high school.\*
